April 19, 2017

Dear Friends,

Please accept my warmest congratulations as you gather in April, Month of the Young Child, to celebrate with Child Care Resources of Rockland and to honor this group of outstanding individuals for their service and support of young children and their families in Rockland County. Indeed "It takes a community to raise a child."

Research clearly indicates that quality child care, early learning and development programs, like roads and bridges, are part of the infrastructure of economic development and a stable, thriving community.

Thank you for your dedication to young children and for helping to ensure that every child in Rockland County has equal access to quality child care. You should be proud, as I am, of your well-deserved recognition.

Best wishes on this special occasion.
